Subject Acquisition of portion of Door No 31, Setty Krishnappa Lane, Rangaswamy Temple Street, II Division (Old No) Bangalore City, for continuing the blind lane

---

With reference to the Government Notification No L 21924/C M 6-52-105 dated 19th March 1953 authorising me to hear objections under Section 5 (A) Land Acquisition Act on the above subject, I write to state that a notice under section 4 Land Acquisition Act was issued and served on the owner on 10-4-1953 calling for objections under section 5 (A) Land Acquisition Act In response, Sri Rangappa the owner of the property filed an objection petition through his counsel Sri R K Pany, B A ,LL B , Advocate on 5-5-1953 raising objecti on the proposed acquisition (copy enclosed) and mainly stated as follows -

"This acquisition is proposed for continuing the blind la in Setty Krishnappa's Cross lane. but it is submitted that t said blind lane runs by the southern side of the property in question and hence no necessity for continuing the lane arises The lane however is narrow on the southern side of the property on account of the existence of a well adjoining the property and by acquiring this portion of the property and the well will cause great hardship to the residents of the locality as it is the only water source for about 25 houses and the said houses have no water connections, there is no vehicular traffic in the lane, but it is submitted that the Government by their order No L 6334-6/M1 32-31-32 dated 17-3-1932 had sanction

the acquisition of the property in question and subsequently dropped the proceedings on the ground that it was not necessary for the public purpose etc

In this connection it may be stated that on the suggestion made by Sri S N Rajagopalraju, Divisional Councillor, the then Corporation Engineer prepared and submitted plan and valuation statement for Rs.2,788 to acquire the property and the proposal was approved by the Corporation at their meeting held on 15-9-52 in question After knowing this fact, the owner of the property No 31 Sri Rangappa filed petitions before my predecessor requesting not to acquire his property On this Mr B M Abu Baker, Ex Commissioner and Land Acquisition Officer had passed orders on 3-10-1952 that this acquisition was considered necessary in public interests and hence it would not be possible to drop the acquisition proceedings as prayed for Then the party again presented petitions before me also requesting not to acquire his property On this I and the present Corporation Engineer both inspected the spot on 30-11-1952 and it was decided to acquire the property in question for the intended purpose Afterwards, the preliminary notifications were forwarded to Government and got them published in the Gazette

As seen from the enclosed plan only the portions marked in red color will be acquired but not the well as objected by the party In the above circumstances, the objections raised by the owner in this case have been overruled and the draft final declaration statements have been prepared and sent herewith for arranging publication in the Gazette

The estimated cost of acquisition amounting to Rs.2788/- will be met out of the Corporation funds in the current years budget allotmen

I request that sanction of Government may kindly be obtained for the acquisition of this property, authorising me to take order for the acquisition of the above property in question under

1 The undersigned is the owner of the property intended to be acquired

2 In the Gazette Notification ~~xxxxxx~~ relating to the acquisition, it is stated that the property is required for a public purpose, to wit, for continuing the blind lane in Setty Krishnappa Cross Lane, but it is submitted that the said blind lane runs by the Southern side of the property in question and hence no necessity of continuing the lane arises The lane however is narrow on the southern side of the property on account of the existance of a well adjoining the property on the south and by acquiring the property on the South and by acquiring the Well will cause great hardship to the residents of the locality as it is the only water source for about 25 houses therein and the ~~xxx~~ said houses have no water taps and even public water taps have not been provided in the locality The public of the locality have already given a petition to the Corporation objecting to the acquisition of the well on the above grounds Without acquiring the well the lane cannot be extended in width

3 The undersigned submits that there is no vehicular traffic in the lane as the existing lane allows passage for pedestrians, there is no necessity for extending the lane It is submitted that the Government by their order dated 17-3-1932 No L 6334-6/ M1 32-31-32 had sanctioned the acquisition of the property in question and subsequently dropped the proceedings on the ground it was not necessary for the public purpose

4 The undersigned further stated that if a portion of his house is acquired the rest of the house becomes too small and uninhabitable The petitioner has no other house and being a poor man will be thrown on the streets
